

The BUZZ

Catch up, Connect, and Celebrate

EVE Estuary HUB has been absolutely buzzing this Summer! With a packed calendar of events and activities, there's been no shortage of fun. Turn the page to see all the highlights from the season!

About Us

EVE Estuary HUB is a service within EVE, built on hope, choice, partnership, and empowerment. At the heart of the HUB is our person-centred approach, tailored to individual needs and focused on each person's strengths, abilities, and potential. Through active community engagement, we support individuals to achieve their goals in education, employment, community life, and health and well-being.

BUZZ Worthy News

Special Olympic Ireland Games 2026

In June, we had the privilege of following six incredible Team Eastern athletes, **Leon, Matthew, Tom, Pauline, Maria** and **Paula** as they took part in the Special Olympics Ireland Summer Games 2026 – and what an unforgettable journey it was.

Throughout the Games, our athletes represented Team Eastern with pride and determination.

Believe in yourself, keep going and never give up - Tom

We are delighted to celebrate the achievements of our athletes, each of whom returned home with medals and accomplishments to be proud of. While the medals are a wonderful recognition of their hard work and dedication, the friendships formed, experiences shared and confidence gained are equally important and reflect the true spirit of Special Olympics. As we look back on an unforgettable Summer Games, one thing is certain – the memories made over those four days will stay with us for a lifetime. Together we celebrated. Together we achieved. Together we inspired.

BUZZed & Busy

It's been a busy season, with opportunities for employment, learning, and developing new skills, along with lots of other experiences both in and out of the HUB. Here's a look at what's been keeping us buzzed and busy this Summer.

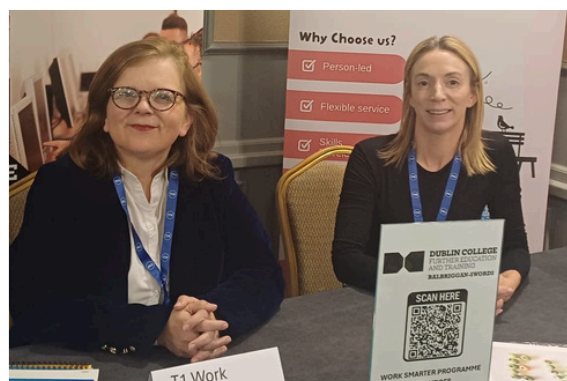

Summer of Learning

A huge congratulations to everyone who took part in learning opportunities this summer! From digital skills and literacy to yoga, mindfulness and Healthy Food Made Easy — well done on your achievements!

Sharing Success

A big congratulations to Therese on her new role with Applegreen, and to Mark, who represented the WorkABILITY Programme and proudly shared his experience of working with Circle K at the Sharing Success Expo in May.

Adult Literacy for Life

We were delighted to attend the Adult Literacy for Life – Our Story So Far event. The event brought together organisations from across Ireland to celebrate adult learning and literacy. It was a great opportunity to learn about new ideas, share experiences, and connect with other people.

Hello! How Are You?

In May, Keith, Claire and Rachel supported the **Hello, How Are You?** campaign organised by **Mental Health Ireland** at the Pavilions in Swords. It was a great opportunity to be part of a positive community initiative and help promote mental health awareness in our community.

Summer Steps

Our Walking club have been making the most of the summer sunshine, enjoying beautiful walks and getting out and about together!

Dates for the Diary

What's On in September

Estuary HUB awarded Green Flag for Energy

On 6 May, the EVE Estuary HUB Green Team and our Zero Hero attended the Green Flag Awards 2026 at the Midlands Park Hotel.

It was a fantastic day celebrating sustainability, energy awareness and climate action, with lots of inspiring ideas and activities from schools across the country.

Together with our Zero Hero, we proudly showcased our Energy Award work, including our Daily Swaps Challenge, and were delighted to receive our Green Schools Energy Award!

A huge thank you to Green-Schools, An Taisce and EirGrid for a wonderful event and for celebrating the fantastic environmental work taking place across the country.

Events

BUZZ

Summer brought a wonderful mix of events, activities and experiences across our community. Here's a look back at some of the highlights that made the past few months so special.

From One Goal to WOW

What started as one idea in a Person-Centred Planning goal has grown into something truly special. On 19 August, we celebrated our peer-led journey to the WOW Café at EVE Estuary HUB with a fantastic turnout and a wonderful atmosphere. The day was all about celebrating people, friendships and the community that has grown around the WOW Café.

The WOW Café represents learning, confidence, teamwork, new skills and new opportunities — showing what can happen when an idea is given the chance to grow.

A huge thank you to our WOW Team, EVE Services, Green Team, WorkABILITY Programme, Peer Advocacy in Mental Health, Green Schools and Roganstown Golf Society, and everyone who supported the journey and helped make Estuary Fest such a special day.

And to everyone who came along, thank you for celebrating with us. We are incredibly proud of our WOW Team and everything they have achieved, and so grateful to everyone who helped make this journey possible.

BUZZ About Town

There's been a real buzz this season, with plenty of social pop-ups helping bring ideas to life and create some great experiences together. Here's a look at what we've been up to this Summer.

EVE Connects

We've loved taking part in EVE Connects events this summer! At Wellness Day, our recycled milk carton won Best Trash in the Trash to Triumph challenge, while Estuary FC brought the team spirit to the EVE World Cup! We are looking forward to more EVE Connects events this year!

Dublin Zoo

For our June Pop-Up, we headed to Dublin Zoo for a day filled with sunshine, laughter, and plenty of unforgettable moments.

It was fantastic to spend time together exploring the zoo, catching up with friends, and seeing all the amazing animals from around the world. It truly was a roarsome day out!

A Season of Sport!

We've had a fantastic season of sport, taking part in the Fingal Sports Soccer Blitz and Golf League, enjoying a coaching session with Roganstown Golf Club, and getting active with personal training sessions at ALSAA.

A big well done to everyone who got involved and gave it their all!

And That Wasn't All...

We enjoyed Music in Mind with EVE Castlview HUB, saw Nathan Carter live at Swords Castle, explored the Titanic Experience in Belfast, and celebrated the Special Olympics athletes with St. John of God's. A summer full of connection, community and great memories all round!
